NorCal Boxer Rescue is an all volunteer, registered 501(c)(3) non-profit organization that provides a temporary sanctuary for Boxers in need throughout the northern regions of Texas and California. Boxers come to us from shelters and from owners who are no longer able to care for them, and we provide these animals with veterinary care, spay/neuter surgeries, vaccinations, a microchip, a temporary foster home at a private residence, lots of love, and placement into a carefully screened home forever.
